

City of Robbinsdale 2012 City Licensed Solid Waste Haulers

PLEASE NOTE; REGARDLESS IF A CITY LICENSE IS REQUIRED OR NOT (see licensing requirements below), A DUMPSTER / CONTAINER PERMIT IS ALWAYS REQUIRED. THERE ARE (2) DIFFERENT "CONTAINER" PERMITS; **1)** A PERMIT TO PLACE A DUMPSTER / CONTAINER ON THE STREET OR PUBLIC RIGHT-OF-WAY, OR **2)** A PERMIT TO PLACE A DUMPSTER / CONTAINER ON PRIVATE PROPERTY. DEPENDING ON WHICH PERMIT PERTAINS TO YOUR PARTICULAR SITUATION, EACH OF THESE HAVE DIFFERENT RULES AND FEES.

City License Requirements; a City license is not required if collecting and hauling construction debris *only*. However, a City license is required for collecting and hauling mixed rubbish. Also, dumpster companies (Solid Waste Haulers) can renew their City license or obtain a new City license at any time during the calendar year therefore, companies may wait to renew or apply for a new license until they receive a job contract from a resident or business.

If you need to hire a dumpster company and you do not see a particular company's name on the following list, it may simply mean that they haven't needed to obtain a City license, or have not yet renewed their City license for this calendar year so you may want to refer to a more complete list of companies from our list of **2011 City Licensed Solid Waste Haulers**, (also available on our website) or refer to the "yellow pages" or qwestdex.com.

Although the following companies have met the City's licensing requirements, they do not necessarily work for the City of Robbinsdale so therefore, they should be considered as independent businesses. The City of Robbinsdale does not guarantee the following companies' work performance nor recommend their services. The City of Robbinsdale shall not be held liable or responsible for any event that takes place between any of these companies and its customers.
