CITY CHARTER

CHAPTER 1

NAMES, BOUNDARIES, POWERS, AND GENERAL PROVISIONS

Section 1.01. Name and Boundaries. The City of Robbinsdale, in the County of Hennepin, and State of Minnesota, shall, upon taking effect of this charter, continue to be a municipal corporation, under the name and style of the City of Robbinsdale, with the same boundaries as now are or hereafter may be established.

Section 1.02. Powers of the City. The City shall have all powers which it may now or hereafter be possible for a municipal corporation in this state to exercise in harmony with the constitution of this state and of the United States. It is the intention of this charter that every power which the people of the city might lawfully confer upon themselves, as a municipal corporation, by specific enumeration in this charter shall be deemed to have been so conferred by the provisions of this section. This charter shall be construed liberally in favor of the city and the specific mention of particular powers in the charter shall not be construed as limiting in any way the generality of the power herein sought to be conferred.

Section 1.03. Charter a Public Act. This charter shall be a public act and need not be pleaded or proved in any case.

CITY CHARTER

CHAPTER 02

FORM OF GOVERNMENT

Section 2.01. Form of Government. The form of government established by this charter is the "Council-Manager Plan." The council shall exercise the legislative power of the city and determine all matters of policy. The City Manager shall be the head of the administrative branch of the City government and shall be responsible to the council for the proper administration of all affairs relating to the city.

Section 2.02. Boards and Commissions. The council shall itself be and perform the duties and exercise the powers of boards and commissions. The council may, however, establish by ordinance boards or commissions to advise the council with respect to any municipal function or activity, to investigate any subject of interest to the city, or to perform quasi-judicial functions.

Section 2.03. Council Members, Qualifications and Terms. The council shall be composed of a mayor and four council members who shall be qualified electors, and shall hold no other public office except that of notary public or member of the National Guard or naval or military reserve, and who shall further qualify as provided in this charter.

The mayor and council members must reside within the boundary limits of the city and the council members must further satisfy residence requirements as set forth in Section 2.04.

The mayor shall be elected at large. Each of the council members shall be elected by the registered voters of the ward in which they reside. The mayor and the council members shall be elected for a term of four years and until their successors are elected and qualified, except that at the first election held after the adoption of this section, the offices of council members for the Third and Fourth Wards shall be filled for a two-year term. There shall be rotation in the terms of the mayor and council members so that the end of the term of the mayor and council members for the First and Second Wards is separated by two years from the end of the term of the council members for the Third and Fourth Wards.

Charter Amendment Ordinance No. 2, adopted unanimously by the City Council July 8, 1968.

Charter Amendment No. 18, Ordinance No. 89-11, adopted unanimously by the City Council August 8, 1989.

Section 2.04. Resident Council Members. The council members shall be qualified as follows: One council member shall be, at the time of election or appointment, a resident of the First Ward. One council member shall be, at the time of election or appointment, a resident of the Second Ward. One council member shall be, at the time of election or appointment, a resident of the Third Ward. One council member shall be, at the time of election or appointment, a resident of the Fourth Ward.

Continued residence in the ward in which each of the said council members resides at the time of election or appointment shall be a qualification to hold office during said council member's term.

Charter Amendment No. 18, Ordinance No. 89-11, adopted unanimously by the City Council August 8, 1989.

Section 2.05. Wards. The area of the City as now or hereinafter established shall be divided into four wards. Review of the wards shall be made by the Council and reapportionment to comply with this section shall be made within two years from the year in which a Federal Census is taken so that wards are substantially equal in population. Reapportionment shall be by ordinance. If the Council shall fail to reapportion within the period prescribed the Mayor and Council shall forfeit all remuneration until the wards of the City are reapportioned as required by this charter.

This ordinance shall be effective on January 1, 1985.

Charter Amendment No. 17, Ordinance No. 84-13, adopted by the City Council August 7, 1984.

Section 2.06. Incompatible Offices. No member of the council shall be appointed city manager, nor shall any member hold any paid municipal office or employment under the city; and until one year after the expiration of that person's term as mayor or council member, no former member shall be appointed to any paid appointive office or employment under the city.

Charter Amendment No. 18, Ordinance No. 89-11, adopted unanimously by the City Council August 8, 1989.

Section 2.07. Vacancies In The Council.

1. Conditions of Vacancy. A vacancy in the office of mayor or council member exists for the following reasons:

- a) failure of a person elected thereto to qualify on or before the date of the second regular meeting of the council in the year subsequent to the election;
- b) death of the member;
- c) resignation of the member;
- d) removal of the member from office;

- h) failure of the member without good cause to perform the duties of the office for a period of three months.

2. Procedure to Fill Vacancy.

When a vacancy occurs the council must by resolution declare the vacancy to exist. In the event the office of Mayor becomes vacant, the council members must forthwith appoint an eligible person to fill the office of Mayor until the next regular municipal election, when the office is filled for the unexpired term.

When a vacancy occurs in an elective office, other than that of Mayor, except when the same is to be filled by a recall election, the Council must forthwith appoint an eligible person to fill the office if the unexpired term is for eight months or less. The appointment shall be made no later than the fourth Tuesday of the month following the declaration of the vacancy.

If the unexpired term is for more than eight months, then a special election shall be held as follows:

- a. The Council must, by majority vote, adopt a resolution at the same meeting at which the vacancy is declared calling for a special election. Such resolution shall specify the date for the election in the event that no primary is required; and shall additionally specify the date for the primary and the election in the event that a primary is required.

All such dates shall be in conformity with the provisions of paragraph c) of this section.

- b. Filings shall be opened immediately upon declaration of the vacancy and remain open for 30 days thereafter unless the last day for filing falls on a weekend or legal holiday in which case filings shall remain open through the next following business day.

- c. The special election, or the primary in the event that three or more candidates have filed, shall be held not less than 60 days nor more than 65 days after the vacancy is declared. In the event that a primary is required, the election shall be held not less than 25 nor more than 30 days thereafter.

In the event there are no filings for the vacant office, the Council shall appoint an eligible person to fill the unexpired term.

In the case of any appointment to a vacancy in the Council, a plurality vote of the remaining members shall be necessary to appoint. Each remaining member shall have one vote, and in case of a tie vote the appointee shall be determined by lot.

The mayor shall have a vote as a member of the council. The mayor shall exercise all powers and perform all duties conferred and imposed upon that office by this charter, the ordinances of the city, and the laws of the state. The mayor shall be recognized as the official head of the city for all ceremonial purposes, by courts for the purpose of serving civil process, and by the governor for the purposes of martial law. INITIATIVE, REFERENDUM AND RECALL

Section 5.01. Powers Reserved By The People. The people of the city reserve to themselves the power, in accordance with the provisions of this charter, to initiate and adopt any ordinance, except an ordinance appropriating money or authorizing the levy of taxes, to require such an ordinance when passed by the council to be referred to the electors for approval or disapproval, and to recall elected public officials. These powers shall be called Initiative, Referendum, and Recall respectively. Initiative is the process for voters to propose and adopt an ordinance. Referendum is the process to require an ordinance passed by the council to be referred to the voters for approval or disapproval. Recall is the process for removing an elected public official from office. Initiative and referendum may not be used with an ordinance that involves land use or zoning.

Charter Amendment No. 18, Ordinance No. 89-11, adopted unanimously by the City Council August 8, 1989.
Charter Amendment No. 30, Ordinance No. 05-04, adopted unanimously by the City Council July 19, 2005.

Section 5.02. [NOTE: This section was deleted.]

Charter Amendment No. 18, Ordinance No. 89-11, adopted unanimously by the City Council August 8, 1989.
Charter Amendment No. 24, Ordinance No. 99-09, adopted unanimously by the City Council September 21, 1999.

Section 5.03. Initiation of Measures. The initiative is governed by Sections 5.03 through 5.09. Any five eligible voters may form themselves into a committee for the initiation of any ordinance except as provided in Section 5.01. Before circulating any petition they shall file a verified copy of their proposed ordinance with the city clerk together with their names and addresses as members of such committee. They shall also attach a verified copy of the proposed ordinance to each of the signature papers herein described, together with their names and addresses as sponsors thereof.

Section 5.04. Form Of Petition And Of Signature Papers. The petition for the adoption of any ordinance shall consist of the ordinance, together with all the signature papers and affidavits thereto attached. Such petition shall not be complete unless signed by a number of eligible voters equal to at least 15% of the total number of registered voters in the city at the time of the regular municipal election immediately prior to the filing of said petition. All the signatures need not be on one signature paper, but the circulator of every such paper shall make an affidavit that each signature appended to the paper is the genuine signature of the person whose name it purports to be. Each signature paper shall be in substantially the following form:

INITIATIVE PETITION

Proposed an ordinance to _____ (stating the purpose of the ordinance), a copy of which ordinance is hereto attached. This Ordinance is sponsored by the following committee of eligible voters:

Name	Address
1. _____	_____
2. _____	_____
3. _____	_____
4. _____	_____
5. _____	_____

The undersigned eligible voters, understanding the terms and nature of the ordinance attached, petition the council for its adoption or, in lieu thereof, for its submission to the voters for their approval.

Signature	Name (printed)	Address
1. _____	_____	_____
2. _____	_____	_____
3. _____	_____	_____

At the end of the list of signatures shall be appended the affidavit of the circulator.

Section 5.05. Filing of Petitions And Action Thereon. All the signature papers shall be filed in the office of the city clerk as one instrument. Within five days, after filing of the petition, the city clerk shall ascertain by examination the number of eligible voters whose signatures are appended thereto and whether this number is at least fifteen per cent of the total number of registered voters in the city at the time of the regular municipal election immediately prior to the filing of said petition. If the clerk finds the petition insufficient or irregular, the clerk shall at once notify one or more of the committee of sponsors of that fact, certifying the reasons for the finding. The committee shall then be given thirty days in which to file additional signature papers and to correct the petition in all other particulars. If at the end of that period the petition is found to be still insufficient or irregular, the city clerk shall file it in the clerk's office and shall notify each member of the committee of that fact. The final finding of the insufficiency or irregularity of a petition shall not prejudice the filing of a new petition for the same purpose, nor shall it prevent the council from referring the ordinance to the electors at the next regular or any special election at its option.

Section 5.06. Action of Council On Petition. When the petition is found to be sufficient, the city clerk shall so certify to the council at its next meeting, stating the number of petitioners and the percentage of the total number of eligible voters which they constitute, and the council shall at once read the ordinance and refer it to an appropriate committee, which may be a committee of the whole. The committee or council shall thereupon provide for public hearings upon the ordinance, after the holding of which the ordinance shall be finally acted upon by the council not later than sixty-five days after the date upon which it was submitted to the council by the city clerk. If the council fails to pass the proposed ordinance, or passes it in a form different from that set forth in the petition and unsatisfactory to the petitioners, the proposed ordinance shall be submitted by the council to the vote of the voters at the next regular municipal election; but if the number of signers of the petition is equal to at least 20 percent of the total number of registered voters in the city at the time of the regular municipal election immediately prior to the filing of said petition, the council shall call a special election upon the ordinance. Such special election shall be held not less than thirty days nor more than forty-five days from the date of final action on the ordinance by the council or after the expiration of sixty-five days from the date of submission to the council where there has been no final action; but if a regular election is to occur within three months, the council may submit the ordinance at that election. If the council passes the proposed ordinance with amendments and at least four-fifths of the committee of petitioners do not express their dissatisfaction with such amended form by a statement filed with the city clerk within ten days of the passage thereof by the council, the ordinance need not be submitted to the voters.

Section 5.07. Initiative Ballots. The ballots used when voting upon any such proposed ordinance shall state the substance of the ordinance and shall give the voters the opportunity to vote either "yes" or "no" on the question of adoption. If a majority of the voters voting on any such ordinance vote in favor of it, it shall thereupon become an ordinance of the city. Any number of proposed ordinances may be voted upon at the same election but the voter shall be allowed to vote for or against each separately. In case of inconsistency between two initiated ordinances approved at one election, the one approved by the higher percentage of voters voting on the question shall prevail to the extent of the inconsistency.

Section 5.08. Amendment Or Repeal. Any ordinance adopted by the vote of the people cannot be repealed or amended except by a vote of the people.

Section 5.09. Initiation of Charter Amendments. Nothing in this charter shall be construed as in any way affecting the right of the voters under the constitution and the statutes of Minnesota to propose amendments to this charter.

Section 5.10. Referendum. The referendum is governed by Sections 5.10 through 5.12. If prior to the date when an ordinance takes effect, a petition signed by eligible voters of the city equal in number to fifteen percent of the total number of registered voters in the city at the time of the regular municipal election immediately prior to the filing of said petition, is filed with the city clerk requesting that any such ordinance be repealed or submitted to the voters, the ordinance shall thereby be prevented from going into operation. The council shall thereupon reconsider the ordinance at its next regular meeting and either repeal it or by "yes" and "no" vote re-affirm its adherence to the ordinance as passed. In the latter case the council shall immediately order a special election to be held thereon, or submit the ordinance at the next regular municipal election, pending which the ordinance shall remain suspended. If a majority of the voters voting thereon is opposed to the ordinance, it shall not become effective; but if a majority of the voters voting thereon favor the ordinance, it shall go into effect immediately or on the date therein specified.

Section 5.11. Referendum Petitions. The requirements laid down in Section 5.03 and 5.04 for the formation of committees for initiation of ordinances and the form of petitions and signature papers shall apply to the referendum as far as possible, but with such verbal changes as may be necessary. A referendum petition shall read as follows:

REFERENDUM PETITION

Proposing the repeal of an ordinance to _____ (stating the purpose of the ordinance), a copy of which ordinance is hereto attached. The proposed repeal is sponsored by the following committee of eligible voters:

Name	Address
1. _____	_____
2. _____	_____
3. _____	_____
4. _____	_____
5. _____	_____

The undersigned petitioners, understanding the nature of the ordinance hereto attached and believing it to be detrimental to the welfare of the city, petition the council for its submission to the voters for their approval or disapproval.

Signature	Name (printed)	Address
1. _____	_____	_____
2. _____	_____	_____
3. _____	_____	_____

At the end of the list of signatures shall be appended the affidavit of the circulator.

Section 5.12. Referendum Ballots. The ballots used in any referendum election shall conform to the rules laid down in Section 5.07 of this charter for initiative ballots.

Section 5.13. Recall. The recall is governed by Sections 5.13 through 5.17. Any five eligible voters within the city may form themselves into a committee for the purpose of bringing about the recall of any officer elected by the entire City. Any five eligible voters within a section or ward may form themselves into a committee for the purpose of bringing about the recall of any officer elected from their respective section or ward. Such committee shall certify to the city clerk the name of the officer whose removal is sought, a statement of the grounds for removal of not more than 250 words, and their intention to bring about this recall. A copy of this certificate shall be attached to each signature paper and no signature paper shall be put into circulation previous to such certification.

Section 5.14. Recall Petitions. The petition for the recall of any official shall consist of a certificate identical with that filed with the city clerk together with all the signature papers, but the circulator of every paper shall make an affidavit that each signature appended to the paper is the genuine signature of the person whose name it purports to be. Each signature paper shall be in substantially the following form:

RECALL PETITION

Proposing the recall of _____ from office as _____ which recall is sought for the reasons set forth in the attached certificate. This movement is sponsored by the following committee of eligible voters:

Name	Address
1. _____	_____
2. _____	_____
3. _____	_____
4. _____	_____
5. _____	_____

The undersigned eligible voters, understanding the nature of the charges against the officer sought to be recalled, and residing in the city, section, or ward (whichever is applicable) from which the officer was elected, desire the holding of a recall election for that purpose.

Signature	Name (printed)	Address
1. _____	_____	_____
2. _____	_____	_____
3. _____	_____	_____

At the end of the list of signatures shall be appended the affidavit of the circulator.

Section 5.15. Filing Of Petition. Within thirty days after the filing of the original certificate, the committee shall file the completed petition in the office of the city clerk. The city clerk shall examine the petition within the next five days, and if the city clerk finds it irregular in any way, or finds that the number of signers is less than twenty-five per cent of the total number of registered voters in the city at the time of the regular municipal election immediately prior to the filing of said petition, the city clerk shall notify one or more members of the committee. The committee shall then be given ten days in which to file additional signature papers and to correct the petition in all other respects, but they may not change the statement of the grounds upon which the recall is sought. If at the end of that time the city clerk finds the petition still insufficient or irregular, the city clerk shall notify all the members of the committee to that effect and shall file the petition in the clerk's office. No further action shall be taken thereon.

Charter Amendment No. 18, Ordinance No. 89-11, adopted unanimously by the City Council August 8, 1989.

Section 5.16. Recall Election. If the petition or amended petition is found sufficient, the city clerk shall transmit it to the council without delay, and also shall officially notify the person sought to be recalled of the sufficiency of the petition and of the pending action. The council shall at its next meeting, by resolution, provide for the holding of a special recall election to conform as nearly as possible to that prescribed for other municipal elections. The clerk

shall include with the published notice of the election the statement of the grounds for the recall and also, in not more than 500 words, the answer of the officer concerned in justification of the officer's course in office. Candidates to succeed the officer to be recalled shall be nominated in the usual way.

Charter Amendment No. 18, Ordinance No. 89-11, adopted unanimously by the City Council August 8, 1989.

Section 5.17. Form Of Recall Ballot. Unless the officer whose removal is sought resigns within ten days after the receipt by the council of the completed recall petition, the form of the ballot at such election shall be as near as may be: "Shall _____ be recalled?," the name of the officer whose recall is sought being inserted in the blank, and the qualified electors shall be permitted to vote separately "yes" or "no" upon this question. The ballot shall also contain the names of the candidates to be voted upon to fill the vacancy, in case the recall is successful, under the caption: "Candidates to fill the place of _____ if recalled;" but officer whose recall is sought shall not be a candidate upon such ballot. If a majority of those voting on the question of recall vote in favor of recall, the official shall be thereby removed from office, and the candidate who receives the highest number of votes for his place shall be elected thereto for the remainder of the unexpired term. If the officer sought to be recalled resigns within ten days after the receipt by the council of the completed recall petition, the form of ballot at the election shall be the same, as nearly as possible, as the form in use at a regular municipal election.

CHAPTER 8

PUBLIC IMPROVEMENTS AND SPECIAL ASSESSMENTS

Section 8.01. Power To Make Improvements And Special Assessments. The city shall have the power to make any and every type of public improvement not forbidden by the laws of the State of Minnesota and to levy special assessments to pay all or any part of the cost of such improvements as are of local character. The amounts assessed to pay for such local improvements may equal the cost of the improvements, including all costs and expenses connected therewith, with interest, until paid, but in no case shall exceed the benefits to the property.

Section 8.02. Assessments For Services. The council may provide by ordinance that the cost of any service to streets, sidewalks, or other public property, or the costs of any services to other property undertaken by the city may be assessed against the property benefited and collected in like manner as are special assessments.

Section 8.03. Local Improvements. After this charter takes effect, all local improvements commenced prior thereto shall be completed and assessments may be levied and securities may be issued for the financing thereof as prescribed by the law applicable thereto. The council may prepare and adopt a comprehensive ordinance, prescribing the procedure which shall be followed thereafter, and such ordinance when adopted shall supersede all other provisions of the law on the same subject. In the absence of such ordinance or until adoption of such ordinance, all local improvements may be made and assessments levied therefore as prescribed by an applicable law.

Section 8.04. Public Works. How performed. Public works, including all local improvements, may be constructed, extended, repaired, and maintained either by day labor or by contract. The city shall require contractors to give bonds for the protection of the city and all persons furnishing labor and materials, pursuant to the laws of the state pertaining to and governing public works.

CITY CHARTER

CHAPTER 9

EMINENT DOMAIN

Section 9.01. Power To Acquire Property. The city is hereby empowered to acquire by purchase, gift, devise, or condemnation, any property, corporeal or incorporeal, either within or without its corporate boundaries, which may be needed by the city for any public use or purpose. Easements for slopes, fills, sewer, building lines, poles, wires, pipes, and conduits for water, gas, heat, and power may be acquired by gift, devise, purchase, or condemnation in the manner provided by law.

Section 9.02. Proceedings In Acquiring Property. The necessity for taking of any property by the city shall be determined by the council and shall be declared by a resolution which shall describe such property as nearly as may be and state the use to which it is to be devoted. The acquisition of such property may be accomplished by legal proceedings, as in taking land for Public use by right of eminent domain according to the laws of this state, except as otherwise provided in this charter. Any condemnation proceedings in progress when this charter takes effect shall be continued and completed under the laws under which such proceedings were begun.

Section 9.03. Payment of Award. Whenever an award of damages is confirmed in any proceedings for the taking of property under this charter, or whenever the court renders final judgment in any appeal from such award and the time for abandoning such proceedings by the city has expired, the city shall, within sixty days of such final determination, pay the amount of the award or judgment of the court, as the case may be; and if not so paid, judgment therefore may be had against the city.

Section 9.04. City May Abandon Proceedings. The city, may by resolution of the council at any stage of the condemnation proceedings, or at any time within thirty days after final determination thereof, abandon such proceedings as to all or any part of the property sought to be acquired and shall pay all reasonable costs and expenses thereof, including fees of counsel.

Section 9.05. City May Take Entire Plant. If the city condemns a public utility which is operated at the time of the commencement of condemnation proceedings as one property, or one system, it shall not be necessary in the condemnation proceedings or any of the proceedings of the council, to describe or treat separately the different kinds of property composing such system; but all the property, lands, articles, franchises, and rights which comprise such system may, unless otherwise ordered by the court, be treated together as one property and an award for the whole property in one lump sum may be made by the commissioners or other body assessing the damages on condemnation. This does not prevent the city, when the plant and property are separable into distinct parts, from acquiring only such part or parts thereof as may be necessary in the public interest.

(NOTE: Minnesota Statute on "Eminent Domain" superseded this section in 1971. The language herein is retained in the event that the state statute is ever repealed or amended.)

No franchise value shall be included in the valuation of the grantee's property in regulating utility rates, fares, or prices under any applicable law, ordinance, or regulation or in proceedings for municipal acquisition of the grantee's property by purchase or eminent domain.
