

Robbinsdale 2017 Fall Bareroot Tree Species Availability for Boulevard (Right of Way) Plantings

*Tree availability generally ranges in groups of 5 or 10; trees are bareroot and are 5 to 8 feet tall at planting time unless noted otherwise; whips indicate very limited branching; to request a tree for planting this fall adjacent to your stretch of public right of way (or boulevard if sidewalk) please contact City Forester Stephan Papiz at 763-531-1273 or at spapiz@ci.robbinsdale.mn.us

<u>Common Name</u>	<u>General Size at Maturity</u>	<u>Common Name</u>	<u>General Size at Maturity</u>
