

Snow Emergencies

Following a snowfall of at least two inches, the City of Robbinsdale may declare a Snow Emergency. Once declared, parking may not resume on a street, highway or alley until it has been plowed and the snow removed to the curb line. To help facilitate the City's snow plowing effort, the police department will begin ticketing and towing parked vehicles during this time.

How do I know if a Snow Emergency has been declared?

Call the Snow Emergency Hot Line at **763-531-1275**. Though local media (including KSTP-TV, KARE-TV, KMSP-TV, Cable 12 TV, WCCO-TV and WCCO Radio) are notified of Robbinsdale's snow emergency, the stations do not guarantee the announcement will be broadcast. Also note that snow depths are measured in Robbinsdale and may not coincide with the snow depths reported at the Minneapolis Twin Cities Airport.

Where else can I park?

Robbinsdale does not have any approved snow emergency parking locations. Residents are encouraged to coordinate with friends, family and neighbors to determine an alternate parking location during a declared snow emergency.

What do I do if my vehicle is towed?

If your vehicle was towed by the Robbinsdale Police Department, it was towed by North Suburban Towing, located at 5124 Hanson Court, Crystal, MN, 55429. Their phone number is 763-535-2201. Most vehicles can be picked up after all requirements of the release (valid drivers license, proof of ownership and proof of insurance) are met at the impound lot. Unless the vehicle is subject to forfeiture, or some other special circumstance exists, **vehicles are no longer released at the police department**. If your vehicle was towed by the Minnesota State Patrol, you can reach them at 763-591-4680 for information.
