1132.01. Definitions. Where used in this section, the following terms have the following meanings:

- (a) “Child-resistant packaging” means packaging that meets the definition set forth in Code of Federal Regulations, title 16, section 1700.15(b), as in effect on January 1, 2015, and was tested in accordance with the method described in Code of Federal Regulations, title 16, section 1700.20, as in effect on January 1, 2015. (Added, Ord. No. 17-14)
- (b) “Cigar” means any roll of tobacco that is wrapped in tobacco leaf or in any other substance containing tobacco, with or without a tip or mouthpiece, which is not a cigarette as defined in Minnesota Statutes, section 297F.01, subdivision 3, as may be amended from time to time. (Added, Ord. No. 17-14)
- (c) “Compliance checks” means the system the city uses to investigate and ensure that those authorized to sell licensed products are following and complying with the requirements of this section. Compliance checks involve the use of persons under the age of 21 who purchase or attempt to purchase licensed products. Compliance checks may also be conducted by the city or other units of government for educational, research, or training purposes or for investigating or enforcing federal, state, or local laws and regulations relating to licensed products. (Added, Ord. No. 17-14; Amended, Ord. No. 19-03)
- (d) “Electronic delivery device” means any product containing or delivering nicotine, lobelia, or any other substance, whether natural or synthetic, intended for human consumption through the inhalation of aerosol or vapor from the product. Electronic delivery device includes, but is not limited to, devices manufactured, marketed, or sold as e-cigarettes, e-cigars, e-pipes, vape pens, mods, tank systems, or under any other product name or descriptor. Electronic delivery device includes any component part of a product, whether or not marketed or sold separately. Electronic delivery device does not include any product that has been approved or certified by the United States Food and Drug Administration for sale as a tobacco-cessation product, as a tobacco-dependence product, or for other medical purposes, and is marketed and sold for such an approved purpose. - (e) “Flavored product” means any licensed product that contains a taste or aroma, other than the taste or aroma of tobacco, menthol, mint or wintergreen, that is distinguishable by an ordinary consumer either prior to or during consumption of the licensed product, including, but not limited to, tastes or aromas of chocolate, vanilla, honey, cocoa, or any candy, dessert, alcoholic beverage, fruit, herb, or any spice. A public statement or claim made or disseminated by the manufacturer of a licensed product, or by any person authorized or permitted by the manufacturer to make or disseminate such statements or claims concerning such products, that a product has or produces a taste or aroma other than tobacco may be one of the methods used to determine that the product is a flavored tobacco product and creates a rebuttable presumption that the product is a flavored product. (Added, Ord. No. 17-14; Amended Ord. No. 19-03)

- (f) “Licensed products” collectively refers to any tobacco product, tobacco-related device, electronic delivery device, or nicotine or lobelia delivery product. (Added, Ord. No. 17-14)
- (g) “Movable place of business” means any form of business operated out of a kiosk, truck, van, automobile, or other type of vehicle or transportable shelter and not a fixed address store front or other permanent type of structure authorized for sales transactions. (Added, Ord. No. 17-14)
- (h) “Nicotine or lobelia delivery product” means any product containing or delivering nicotine or lobelia intended for human consumption, or any part of such a product, that is not tobacco or an electronic delivery device as defined in this section. Nicotine or lobelia delivery product does not include any product that has been approved or otherwise certified for legal sale by the United States Food and Drug Administration for tobacco use cessation or for other medical purposes, and is being marketed and sold solely for that approved purpose. (Amended, Ord. No. 17-14)

- (l) “Tobacco product” means any product containing, made, or derived from tobacco that is intended for human consumption, whether chewed, smoked, absorbed, dissolved, inhaled, snorted, sniffed, or ingested by any other means, or any component, part, or accessory of a tobacco product, including, but not limited to cigarettes, cigars, cheroots, stogies, perique, granulated, plug-cut, crimp-out, ready-rubbed, and other smoking tobacco; snuff, snuff flower, cavendish, plug and twist tobacco; fine cut or other chewing tobaccos; shorts, refuse scraps, clippings, cuttings, and sweepings of tobacco; and other kinds and forms of tobacco. Tobacco product does not include any product that has been approved by the United States Food and Drug Administration for sale as a tobacco-cessation product, as a tobacco-dependence product, or for other medical purposes, and is being marketed and sold solely for such an approved purpose. The total number of Tobacco Products Shop licenses issued by the city shall be limited to two (2). The total number of Tobacco Dealer licenses shall be limited to eleven (11). Establishments or locations holding licenses on the effective date of this ordinance shall not be affected by these limitations subject to conditions under which a license would be revoked. Application for such license shall be made to the city clerk and shall state the full name and address of the applicant, the location of the building to be occupied by the applicant in the conduct of the business, the kind of business to be conducted, and such other information as the city clerk may require. The application shall be presented to the city council for its consideration, and if granted by the council, a license will be issued by the city clerk upon payment of the required fee.

- (b) However, except as may otherwise be provided by law, the existence of any particular ground for denial does not mean that the city must deny the license.
- (c) If a license is mistakenly issued or renewed to a person, it may be revoked upon the discovery that the person was ineligible for the license under this ordinance. Notice of the revocation will be given to the person along with information on the right to appeal.

1132.07. License fee. The fee for a license is set by Appendix B.

1132.09. Term. The issuance of license is a privilege and does not entitle the holder to an automatic renewal of the license. Licenses expire annually on December 31. Licenses are not transferable. - (2) Signage. Notice of the legal sales age and age verification requirement must be posted prominently and in plain view at all times at each location where licensed products are offered for sale. In addition, no person shall sell, offer for sale or otherwise distribute cigars in original packages of four or more cigars for a sale price, after any coupons, multipack or buy-one-get-one promotions, or any other discounts are applied prior to applicable sales taxes being imposed, of less than \$10.40 per package. (Added, Ord. No. 17-14)

- (g) Responsibility. All licensees are responsible for the actions of their employees in regard to the sale, offer to sell, and furnishing of licensed products on the licensed premises. The sale, offer to sell, or furnishing of any licensed product by an employee shall be considered an act of the licensee.
